Wow- I still can't believe I went to jail.

And that we finally got engaged!

Let's just promise to be more honest with each other now that we're going to be husband and wife, ok?

Agreed.

Ooooo... I know!
Let's update our
engagement status
on Facebook!

OK.

GiveitthealcoholAdvice lol! your selfie should be done in a different angle. Perhaps add a filter. Hope that helps.

HaterGonnaHate No one cares. Also, not a great selfie. Could be way better.

HaterGonnaHate Alexis, it's YOUR life not mine! Now YOU'RE so dumb.

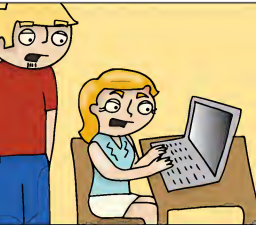

GivesUnsolicitedAdvice IMO your selfie should be done in a different angle. Perhaps add a filter. Hope that helps.

HaterGonnaHate Alexis- it's YOUR in this context! Wow- YOU'RE so dumb.

Well... it's not exactly the response I was hoping for. But, if I just look at it a little differently, it's actually okay.

That's just another reason why I love you, Hailey. You are always looking on the brighter side of things.

That said, it's been a
long 24 hours.
I'm going to bed.
I love you, Honey.

I love you, too...

...my
husband-to-be!

I really am excited to start this new chapter of our life together.

Me, too.

And hey...

Maybe, just maybe, we can drop
all of the drama in our lives in
our next chapter, too, huh?

Hahaha.
Sure.

Your Proposal Stories
from last episode were so cute!!!

Thanks for sharing them.

HEADS UP!

I will be taking a quick break the next two episodes, back in a week. In the meantime,

- A) if you like where this comic is going, give it some love by giving it a higher rating
- B) share in the comments below the times you chose to see the brighter side of a tricky situation (it helps us all to see new ideas and possibilities)

THANKS and see you in a week!
